Senator Omar Fateh, Co-Chair
Regent Nomination Joint Committee

Representative Gene Pelowski, Jr., Co-Chair
Regent Nomination Joint Committee

Dear Senator Fateh and Representative Pelowski,

During calendar year 2023, there will be four six-year term positions on the University of Minnesota Board of Regents (“Board of Regents”) coming to term. The four open regent seats to be filled include one each from Minnesota’s second, third and eighth congressional districts as well as one statewide at-large seat.

Pursuant to Minn. Stat. §137.0245, et al., the Regent Candidate Advisory Council (“RCAC”) is tasked with recruiting, screening and recommending at least two, and no more than four, qualified candidates to the Regent Nomination Joint Legislative Committee for each opening on the Board of Regents. The following is the report of the RCAC concerning the recently completed candidate selection process (“Report”).

Background

The Minnesota Constitution requires that 12 Regents be elected by a Joint Convention of the Minnesota Legislature to sit on the Board of Regents. Eight of the 12 Regents are elected as a resident of a Minnesota congressional district, one Regent being elected out of each district. The four remaining Regents are elected from the state at-large, with one of these at-large positions being a University of Minnesota student at the time of election. Regents serve six-year terms with four seats coming up for election every two years.

The RCAC was established by an act of the legislature of the State of Minnesota (“Legislature”) in 1988 to advise the Legislature in the election of Regents to the Board of Regents. Its duties are to: 1) develop a statement of selection criteria guidelines for the position of Regent and to distribute these guidelines to potential candidates; 2) identify and recruit qualified candidates for open positions on the Board of Regents; and 3) submit Regent candidate recommendations by January 15 of every odd-numbered year to the Regent Nomination Joint Legislative Committee (“Joint Committee”) for at least two, but not more than four, qualified candidates for each opening on the Board of Regents.

The Joint Committee consists of the members of the higher education budget and policy divisions of the Senate and the House. The Joint Committee is statutorily required to meet by February 28th of each odd-numbered year to consider Regent nominees and to recommend one nominee for each open Regent seat to a Joint Convention of the House and Senate. Elected

Regents take office immediately upon election by the Joint Convention.

Membership

The RCAC consists of 24 members who have been appointed by the Legislature in accordance with Minn. Stat. §137.0245. The members are appointed to six-year terms, with one-third appointed each even-numbered year, with the exception of the two student members who are appointed to two-year terms each even-numbered year. A list of the current RCAC membership is attached.

2022-2023 Process

In 2022, the RCAC was tasked with recommending candidates for four six-year term positions on the Board of Regents coming to term: one from each of Minnesota's second, third and eighth congressional districts and one statewide at-large position. With respect to the current recommendations, the RCAC began its activity by electing Senator Greg Clausen as its chair and Barb Farrell and Stacia Wakefield as its vice chairs in October of 2022.

A number of committees were also appointed to carry out directives and make recommendations to the RCAC. These committees included Recruitment, Selection Criteria, Document Review, Reference Check/Interview Process and Candidate Orientation. The work of the RCAC committees consisted of reviewing past practices, updating materials, and making a number of recommendations.

At the initial meeting and throughout the process, the RCAC placed a high priority on diversity and recruiting candidates that would provide the Legislature with options to improve the overall diversity of the Board of Regents. That includes diversity of gender, race, geography, occupation, and more.

The RCAC began actively recruiting candidates in October of 2022 for the four seats coming to term during this cycle. Twenty-nine candidates submitted applications to the RCAC by the December 6, 2022, deadline. The RCAC met on December 9, 2022, for the preliminary screening of candidates to interview. After extensive discussion and debate, 18 candidates were selected for interviews. This meeting was open to the public and streamed live to YouTube. Two candidates selected for an interview withdrew from consideration.

The RCAC met in open session to interview the 16 candidates on January 10, 11, and 12, 2023. In the case of each of these candidates, the RCAC reviewed candidate application packets, written references from two individuals, and conducted an interview lasting approximately forty-five minutes featuring an extensive question and answer period.

Video of the candidate interviews as well as all RCAC proceedings is available at <https://www.rcac.leg.mn/2022-23meetings.html>.

On January 13, 2023, the RCAC met to discuss and debate the merits of the candidates, and respectfully voted in the final recommendation process.

Regent Candidate Advisory Council Selection Criteria Report

January 17, 2023

This Report is submitted pursuant to Minn. Stat. §137.0245, Subdivision 3, in connection with the work of the Regent Candidate Advisory Council (“RCAC”), established for the purpose of (i) recruiting and screening candidates for positions on the University of Minnesota Board of Regents (“Board of Regents”), and (ii) making recommendations to the Minnesota State Legislature and the Regent Nomination Joint Legislative Committee.

In September of 2022, a Selection Criteria Committee (“Committee”) was formed to review and update the Selection Criteria for Members of the University of Minnesota Board of Regents (“Criteria”). On the morning of October 14, 2022, the Governance and Policy Committee of the Board of Regents reviewed and provided feedback on the 2020-2021 Regent Candidate Selection Criteria in a public meeting that was recorded and made available on the webpage hosted by the Board of Regents. This feedback was given careful attention by the members of the Committee.

In the afternoon of October 14, 2022, the Committee met in an open meeting to review the Criteria. The Committee discussed the applicable portion of the October 14 Board’s Governance and Policy Committee meeting, taking the Board of Regents comments into consideration as the Criteria for the 2022-2023 candidate selection process was reviewed. It was determined that no changes to the Criteria were needed. The Committee unanimously adopted the Criteria for utilization as part of the 2022-2023 candidate selection process.

On the afternoon of October 24, 2022, the Selection Criteria Committee reported on its work to the full RCAC. The RCAC voted unanimously to adopt the Selection Criteria Committee Report.

Attached is the Criteria that was recommended by the Selection Criteria Committee and utilized by the RCAC in its evaluation and recommendation of candidates for the Board of Regents to the Regent Nomination Joint Legislative Committee and Minnesota State Legislature in 2023. All of the candidates recommended by the RCAC are believed to reflect, to a greater or lesser degree, the attributes included in the Criteria.
